**TO:** Board of Directors  
**THRU:** Brad Evans, Interim, CEO  
**FROM:** Dave Smith, Vice President Administration  
**SUBJECT:** *Credit Card Transition – RCA Order update*

Tuesday, September 16<sup>th</sup>, the RCA issued a corrected Public Notice that solicited public comments on our changes and giving them until September 30<sup>th</sup> to file comments. Obviously this will delay any decision they are going to make until the first week of October or later. We are tracking the RCA web site for any public comments that are posted and as of today, none have been filed, but it is early in the comment period.

Over 3700 credit card payments have been processed since September 2<sup>nd</sup>. Teresa will give you a current update during the meeting on any comments that have been filed and the number of credit card payments we have processed.
