

APPENDIX A

Terrestrial Vegetation Study – Draft Report Plant List

Common and scientific plant names index for plants species described in technical report.

COMMON NAME	SCIENTIFIC NAME	COMMON NAME	SCIENTIFIC NAME
yarrow	<i>Achillea borealis</i>	black spruce	<i>Picea mariana</i>
alder	<i>Alnus crispa</i>	Sitka spruce	<i>Picea sitchensis</i>
bog rosemary	<i>Andromeda polifolia</i>	Jacob's Ladder	<i>Polemonium acutiflorum</i>
goat's beard	<i>Aruncus sylvester</i>	black cottonwood	<i>Populus balsamifera</i>
lady fern	<i>Athyrium filix-femina</i>	quaking aspen	<i>Populus tremuloides</i>
dwarf birch	<i>Betula glandulosa</i>	pacific silverweed	<i>Potentilla egedii</i>
paper birch	<i>Betula papyrifera</i>	shrubby cinquefoil	<i>Potentilla fruticosa</i>
bluejoint grass	<i>Calamagrostis canadensis</i>	pink wintergreen	<i>Pyrola asarifolia</i>
Merten's sedge	<i>Carex mertensii</i>	one-sided wintergreen	<i>Pyrola secunda</i>
fewflower sedge	<i>Carex pauciflora</i>	rattlebox	<i>Rhinanthus minor</i>
sedges	<i>Carex spp.</i>	prickly rose	<i>Rosa acicularis</i>
sundew	<i>Drosera rotundifolia</i>	five-leaved bramble	<i>Rubus pedatus</i>
wood fern	<i>Dryopteris dilatata</i>	salmonberry	<i>Rubus spectabilis</i>
crowberry	<i>Empetrum nigrum</i>	felt-leaf willow	<i>Salix alaxensis</i>
fireweed	<i>Epilobium angustifolium</i>	barclay's willow	<i>Salix barclayi</i>
common horsetail	<i>Equisetum arvense</i>	Sitka willow	<i>Salix sitchensis</i>
meadow horsetail	<i>Equisetum pratense</i>	red elderberry	<i>Sambucus racemosa</i>
cow parsnip	<i>Heracleum lanatum</i>	sphagnum moss	<i>Sphagnum spp.</i>
beach pea	<i>Lathyrus maritimus</i>	Beuverd spirea	<i>Spiraea beauverdiana</i>
Labrador tea	<i>Ledum groenlandicum</i>	twisted stalk	<i>Streptopus amplexifolius</i>
common mustard	<i>Leslia paniculata</i>	starflower	<i>Trientalis europaea</i>
lupine	<i>Lupinus nootkatensis</i>	white clover	<i>Trifolium repens</i>
false azalea	<i>Menziesia ferruginea</i>	mountain hemlock	<i>Tsuga mertensiana</i>
sweetgale	<i>Myrica gale</i>	tall blueberry	<i>Vaccinium alaskaense</i>
devil's club	<i>Oplopanax horridus</i>	early blueberry	<i>Vaccinium ovalifolium</i>
bog cranberry	<i>Oxycoccus microcarpus</i>	bog blueberry	<i>Vaccinium uliginosum</i>
mountain timothy	<i>Phleum commutatum</i>	low-bush cranberry	<i>Vaccinium vitis-idaea</i>
white spruce	<i>Picea glauca</i>	high-bush cranberry	<i>Viburnum edule</i>
Lutz spruce	<i>Picea glauca x sitchensis</i>
