PROJECT BOUNDARY & LOCATION MAP

COOPER LAKE - ANCHORAGE HYDROELECTRIC PROJECT
 CHUGACH ELECTRIC ASSOCIATION
 FERC PROJECT NO. 2170

Notes:

1. The Centerline of the Transmission line is based on a combination of data provided by the Chugach Electrical Association Surveyor and HDR.
2. Access roads were located using survey data provided by HDR.
3. Section lines as shown were established based on protracted positions.
4. All Bearings and Distances as shown are Grid.
5. Coordinates are based on CORS Network Station "Kenai 1".
6. Horizontal datum is Alaska State Plane Zone 4, NAD 27.
7. Road coordinates beginning and end points are oriented North and South in the direction of the Transmission Line, or from the Highway to the Transmission Line.
