**Re: Cooper Lake Hydroelectric Project (FERC No. 2170):  
Agenda for Relicensing Workshop – July 14, 2004**

Dear Cooper Lake Project Relicensing Participants:

Chugach Electric invites you to attend a workshop on July 14, 2004, from 8:00 A.M. to 3:30 P.M. at the CIRI building (4<sup>th</sup> floor conference room), located at 2525 C Street in Anchorage. The purpose of the workshop is to review and discuss the Draft License Application (DLA) to help clarify any information as needed ahead of the September 1 due date for comments on the DLA. In addition, we would like to utilize the opportunity to discuss with participants possibilities for going forward in the relicensing consultation, including formation of work groups to identify/confirm interests and explore possible solutions for a final licensing proposal.

An agenda for the July 14 workshop is enclosed.

A continental breakfast will be provided beginning at 8:00 A.M., and the workshop will start promptly at 8:30 A.M. Lunch will also be provided. If you plan on attending, please RSVP to May Clark at Chugach Electric as follows:

***Please RSVP by Friday, July 2 to:***

***Ms. May Clark, Chugach Relicensing Secretary  
907-762-4547 or [may\\_clark@chugachelectric.com](mailto:may_clark@chugachelectric.com)***

We look forward to seeing you at the workshop.

Sincerely,

Burke Wick, PE  
Plant O&M Supervisor  
Cooper Lake Relicensing Project Manager
