This transfer will be done under procedures as may be set forth by the Association.
- I. The Association has the right and the duty to safeguard the disclosure of the Association's membership list. Therefore, the Association's membership list will not be revealed, distributed, or released except to candidates running for election to the Association Board provided the member requesting the membership list certifies that he or she shall use the list only for the Board election. The Association shall also seek judicial protection of court-imposed conditions on the use of the membership list, if necessary.
- J. There shall be no charge for copies of Association documents provided in hard copy or electronic form except as provided in this subsection. There shall be a charge

for researching and making copies of documents if the time required to find and copy the documents exceeds two hours. An estimate of costs may be requested prior to research and copying. Members may review the documents requested prior to copying to determine what pages they want copied but must still pay the cost of research required to find those documents.

- K. The Association recognizes that the cost of reproducing voluminous studies and reports may place a financial burden on the resources of many individuals. Therefore, the Association shall, whenever possible, make available at least one copy of major studies and reports that are not confidential to interested members for inspection at the Association's headquarters. Members can review and designate what portion or pages of those reports, if any, they wish copied.
- L. All completed requests for information will be handled as expeditiously as possible, given the operating needs of the Association.
