This program is intended to help pay for equipment installed in 2020 to charge electric vehicles at hotels in the service area of Chugach Electric Association. Chugach will reimburse up to \$2,500 of the installed cost of a Level 2 charging station with one or two connectors for electric vehicles. Do you agree to pay the balance of the costs to install the charging station?

Yes ___

This program helps fund the installed cost of a Level 2, 240-volt charger with universal J1772 electric vehicle connectors. Do you agree to purchase, install, own, maintain, and make available to guests for at least 36 months the electric vehicle charger?

Yes ___

Do you agree to share observations about guests' use of the charging equipment with Chugach?

Yes ___

Has your EV charging equipment already been installed?

Yes ___ No ___

Chugach Electric Association, Inc.

www.chugachelectric.com • info@chugachelectric.com

Will your charging installation also be available to the public at large?

Yes ___ No ___

How will you notify drivers of the location and availability of a charger funded under this program?

Do you plan to charge a fee for the use of the charger(s)? Yes ___ No ___

If yes to the above, please explain. Note that the Chugach tariff does not allow retail customers to resell electricity, however hosts may charge by other non-electrical units.

Whether owned by the brand or a franchisee, can you indicate here a statement of corporate support for electric vehicle charging at this hotel or others in the chain?

Does your chain provide any financial support for electric vehicle charging at properties? If so, please explain.

Is there any other information you would like Chugach to consider?

Installation to be completed by Dec. 31, 2020, with paperwork to be submitted by Jan. 15, 2021.

Agreement

I understand that if this application is selected by Chugach for participation and if the entity named on the application decides to proceed with the installation and receive payment from Chugach, there will be an obligation to make available to hotel guests, maintain and pay the monthly charges for an electric vehicle charging station for the 36 months.
