

Voting open in Chugach election! Cast your ballot by May 17.

Chugach members are encouraged to vote in the 2024 Annual Election. Members will choose from four candidates running for two seats on the Chugach Board of Directors. There are also two proposed bylaw amendments on the ballot. One reduces the number of board meetings directors may be compensated for each year. The second proposed amendment addresses grammar and other non-substantive edits to the Bylaws.

Information on candidates and the bylaw proposals is available on Chugach's Annual Meeting and Election page at www.chugachelectric.com.

Watch for weekly voting emails until May 15. You can also vote on the Chugach website using the control number you'll receive in the mail. Electronic voting closes at 3 p.m. on May 17. Paper ballots are due by noon on May 16.

Chugach's election contractor, Survey & Ballot, can assist members who have not received the voting email or wish to receive a paper ballot. Call (866) 909-3549 or email support@directvote.net. Voting results will

be announced at the annual meeting on May 17 at ChangePoint Alaska, beginning at 6 pm.

Members who vote in the Chugach election will be entered to win one free year of electricity (up to 10,000 kWh valued at the residential rate). Two winners will be announced at the annual meeting.

Annual Meeting & Member Appreciation

Chugach is hosting its Annual Meeting and Member Appreciation Event on the same day at ChangePoint Alaska (6689 ChangePoint Drive). On May 17, the member event runs from 3-6 p.m. in the ChangePoint parking lot with bucket truck rides, educational booths, electric vehicles, and more.

Registration for the Annual Meeting gets underway inside the ChangePoint commons area at 5 p.m. The meeting starts at 6 p.m. and will include updates from the board of directors, the CEO, in-person voting, election results, and other Chugach business.

Door prizes will be drawn for members in attendance.

WIN A 2005 FORD ESCAPE!

Random drawing for a surplus vehicle at the Annual Meeting on May 17.

Members must be present to win.

Right Tree, Right Place

Planting trees and shrubs can provide energy savings in addition to enhancing the beauty and value of your home.

If you are thinking of planting, choose the appropriate tree or shrub to minimize conflicts between trees and utility lines. Planting in the utility easement can make it difficult for Chugach or other utilities to gain access and maintain their facilities. The result could mean your landscaping might need to be removed or trimmed. {141020802}

Chugach is certified by the National Arbor Day Foundation as a Tree Line USA utility. For more information on Chugach's Right-of-Way Clearing Program, use your smartphone camera to scan this QR code:

Chugach parking lot upgrade

A parking lot upgrade project will temporarily change parking for members at the Chugach Headquarters building on Electron Drive. Beginning June 3, member parking will be moved from the south side of the building to a lot on the east side of the building.

During the construction period, expected to last through the summer, there will be no payment drop box outside the Chugach lobby, and there will be no electric vehicle charging available. Members are encouraged to set up online payments to avoid any disruption in service. Chugach will install signs during the construction phase directing members to the parking area should they need to visit the lobby.

CHUGACH EMPLOYEE SPOTLIGHT

From Engineering to Operations to Member Services, all of Chugach's roughly 450 employees live and work in Alaska.

Each month we introduce you to one of our employees who works every day to provide safe, reliable power to our members.

Name: Allie Smith
Position: Member Service Representative
Time at Chugach: 2 years

Allie says she enjoys the group of people she works with and continues to learn new things each day. She says the most challenging part of her job is helping members understand their billed usage when they have high bills.

Green Corner Reducing our carbon footprint

Of the 89,974 members eligible to vote in the Chugach election, 79,369 have an email on file and received their election materials electronically – saving hundreds of trees.
