Wheeling Discount Report

Wheeling Discount Summary Report: July 2020

Chugach Electric Association, Inc. (Chugach) provided the following discounts for transmission wheeling service starting in the month of July 2020 in accordance with Rate Schedule T-8, Non-Firm Point-To-Point Transmission Service. Transaction information is also posted on Chugach's website (www.chugachelectric.com/notice-of-transmission-wheeling-discounts) contemporaneous with the time period that each offer is contractually binding and for a period of 60 days from the date of transaction.

See "Wheeling Discount Form" for transmission wheeling discounts.

Note: Three principal requirements apply to discounts for transmission service as follows: (1) any discount offer made by the Transmission Provider must be announced to all Eligible Customers; (2) any customer-initiated requests for discounts (including requests for use by one's wholesale merchant or an Affiliate's use) must be announced to all Eligible Customers; and (3) once a discount is negotiated, details must immediately be announced to all Eligible Customers. For any discount agreed upon for service on a path from point(s) of receipt to point(s) of delivery, the Transmission Provider must offer the same discounted transmission service rate for the same time period to all Eligible Customers on all unconstrained transmission paths that go to the same point(s) of delivery on the Transmission System.
